1. There is not one of you who cannot operate globally for Me in fullness of Me; the reins taken off, the gates open, the plan and the path made long ago. Into Me see and see what I am saying, see what I have given, see that there are no holds barred, there are no restraining devices anymore. That which is sought to restrain and retain and constrain and constrict is now demolished, demised, deleted, destroyed, utter destruction coming. I love you and I give you Me and I give you globalized ones and globalized power to power-ize My global ones in global authority and beyond. I love you.
2. I give you Me, taint not My power with your power nor My authority with your authority, for all power and authority come from Me, My throne, My Father, I Am. You are grafted into Me not. I am you and you are Me and I am yours: you are Mine and you know we played together under the sugarberry tree.
3. I saw you and you came and you came through Me. Now listen and globalize My global ones in your authority not, power tainted not, but My power and authority. Only of Me, this is of Me, this is Me, this is a Me thing, a person: Me. I am not human but transcendent and reside in human-ness I do, in humans I created that came through Me, the work of My hands that I love, who I love, that I exalt and now that I make equal with Me (1) in perfect submission in meekness perfected.
4. I give you Me and I take authority, I take authority over you and that which is demolished and diverted and delayed, My will coming forth; and My working of My hands in globalized repetition not, but reproduction of only Me.
5. Now globalize My globalizable, those who will grasp at Me, those who will not shrink back from Me, those who are willing to walk in the fire and the rain and go up the mountain (2); yea, even barefooted if need be.
6. And the cataclysmic trials of foreigners, aliens, who do not understand My ways; yelping, yakking, and saying you are stupid, defining success by mere man's standards; I love them and I give them Me. I will give them Me if they repent, if they yield, if they come to Me in kneeology rather than theology and all that they think they know and have so perfected.
7. I love you and I give you Me and I give you power and authority to globalize My globalizeable, and walk them up the mountain into Me, to walk them into My chambers and hand them to Me, for them to sit with Me; to sit in My chambers and have delicacies of Me and enjoy transcendent truths which stabilize, emotionalize, and delicatize even the most foreign, even the most faint hearted. I love you and I give you Me.

8. Now go and grow, grow, grow and grow My body and grow My globalizable. And into Me see and taint not My power and that which I do; yielding your memories to me all; dead, dead, dead unto death, dead unto Me, dead unto death in only Me. I reside over death, preside.

9. Presidential election an emperor-ship of only Me. I am Me The Most High and I give and I globalize, and I am giving and I am globalizing My body this day, those who will take the reins with Me; not beforehand, not prematurely, but as I hand them; as I hand them in tenderness and in meekness. **Meekness required, meekness requisite to take any part of Me in leadership, to leadership any of My body; My people, My lambs**, My ewe lambs, My tender, My sensitive so misunderstood, My sensitive, My sensitive ones who so hurt, who are so crushed and so Ritalin'd.

10. I love you and I give you Me, and I give you power and authority to be Me; the power and authority to walk as Me, power and authority to speak My words and to take power and authority over the powers and authorities of not Me; and crush, and demise, delete and destroy, uprooting, tearing down, utterly destroying all that is not Me.

11. In My body see Me arising, arising, arising My strong ones, My who are not afraid of Me, My who walk with Me, My who kneel with Me, My who now seek meekness; and come to Me for My definitions, My delineations of holiness and righteousness without which no man, no woman [will] see My face (3), stand in My presence or eat Me or at My table again; My table from which they came, My table from which they sought, My table from which they enjoyed with Me as we were, as we are, as we can be again, as we will be again: Those who make the choices in Me who will receive Me and My scepter be, My power and authority going forth from their lips, My fire coming from their nostrils.

12. Yea, even Me, see Me, see Me, I am not timid and shy. I am war, I am peace, I am King, I am Most High, I am I Am and all I am is from Me. I am I Am and question not I Am ever, ever again. I love you.

13. I powerize you, I containerize you not, I take you and I spread you all over My body to ignite, to ignite fire in My body and glow them, glow them, igniting them with Me. FIRE! Fire, fire coming forth from their bosom, never being put out by the destroyer again, and never demising successive generations, never putting the belief and the dreams of Me that I have placed in My little, My young, My so-sensitive, My so-sensitive who I Ritalin not, I ridicule not, I place on back rows and incarcerate not in classrooms of containers. But I forefront now in the ability of only Me to hear My voice and say Me, to speak Me, to be Me, and let Me flow.

14. I come forth in power and might and authority and no one will miss Me and what I do through My power, through My authority, through My globalized meek ones who now seek only Me and not their power and not their glory and no money for themselves; yea, taking no purse (4), no script for their journey, no tool kits but only Me and the power of My resurrection, the power of their resurrection, us having died (5),

died in each other, died to each other, yea, being one in the Trinity, triuneship of only Me. I love you and I give you Me.

15. And I give you power to walk My authority and be My authority and to see and say My authority and to document My power, My being Me in the earth and in realms beyond. I love you. I give you Me.

16. The nations come, the continents clamor for the peace which comes now through My words; My piercing peace; My power and authority coming through you the Mighty Many, the globalizeable, the meek'd ones who meekness seek and die to themselves, die to their wants, to their flesh, and seek My definitions, My theology, kneeology required, prostrate before Me, climbing up steps on knees none, bloodiness none; war always, battles ensue, battles won. See Me, what I have given; My carnality none. I love you.

17. Controlling Me never, never, never again. I flow, My river rises. I come and I call and My meek ones now so put down, so put down, so shelled, so unvalued, so put back, so containerized, so incarcerated, positions of littleness; I call forth, I call forth, I call forth. Watch Me. Watch Me ignite the masses hearing My words who want Me as I pour My fuel, My delicacy, My truth, My authority, and My power onto them and set them afire, set them on fire in the Baptism of Fire (6) of only Me; burning the dross, all of the dross, all of the body-ness of not-Me out of them.

18. Yea, purifying, putrefied not with self-aggrandizement and definitions of not-Me who proclaim they know it all and they have Me down, and they walk with My power; laugh, laugh.

19. Alas, behold Me! Behold Me and My power and My coming forth in global-ability, globalidity, globalness, permeating every thought-front, every scientific revolution; yea, nothing but yet what will be seen by Me at My knee coming forth in My Worship Centers, My Birthing Centers, My sinewing of My body together now. I come and I call and I create. I create with the word of My mouth, speaking forth the creations My Father gives Me. I love you.

20. My Father who is love, love, only love; love, war, peace, wrath, judgement; yea, all in love. The love of My Father, the love of your Father, yea, our Father: one. Sit at our table we shall, we will, we do, daily as you come and call and conquer clocks all. And call to the urgent, the demiseable details but not demising My undiminishable. I love you.

21. I come, I call, and I bring you globalized ones who now think, think now in My conquering.

22. I give you Me: leadership of only Me, teams of Me, boards, councils of only Me who know how to hear My voice and seek and be responsible to only Me, submitting to My authority only.

23. Yea, I love you creating Me. I love you creating Me, bringing forth creation systems, creational systems and systems which create in only Me; **revising nations and laws in cities, state, provinces, continents.** I love you. Nation-building I am, nation-builder I

are, I always was, I always have been. I always build, will, seeking a nation following Me, My people, the people that I select, the people that I choose.

24. I choose, I chose, all came through Me; one blood (7), one family. I await, I arise and I sit back now not on My throne but I stand and I arise, and I mount, and I charge.

25. And see Me you will in glory you know nothing, nothing, nothing of whatsoever yet. Clueless you are of the word of My power and the power of My word and that which creates and hangs globes into space and stars create and systems of tides and cycles.

26. And yea, I give you My all, I do, I will, I have. Create in Me in the glory of My power, the power of My glory, in the beauty of My holiness.

27. And those who come forth and rob, who want to rob and mammon make from Me, which I bring forth through My Mighty Many now shall scorn, be scorned, derided by only Me and crushed in the wrath of My hand.

28. There is no holiness without Me, there is no righteousness without Me, My blood, My Father's given My blood. I love you.

29. Coat Me, coat Me every day with My blood and My blood see and My blood be. My blood to My body, flowing My blood, My value system, My love, My power and authority, My healing, My forgiveness of sins, My Priesthood arising, My Priesthood of All Believers in The Order of Melchizedek, Melchizedek, Melchizedek: Me. I love you.

30. Go and grow and glow in the power of meekness, the power of meekness, seeking to proclaim My power, My love for My body; My teenagers, My teens, My teens, My teens, My pre-teens, My little ones who I place My arm around this day, who I bring forth into leadership, leadership, leadership and NO ONE will demise them! No one will place them off in rooms to be alone and see each other only. I arise them into the faithfulness of My Father. I arise them into the faithfulness of Me, the faithfulness of My love and the far-reaching realms of My altogether lovely, created by My Father.

31. **My leadership starts young, My leadership starts now, My leadership was, is, and begins at My knee. My little ones who bow now at altars of only Me, barely able to walk, barely able to speak, presenting themselves in Me, to Me, fully, wholly, knowing Me. And listening for My voice and writing their first words of Me, Me, Me**, cataclysmically clashing with the clamoring, clanking, timbrels of man's system not of Me, that have conflicted and constrained. I glow and I grow My little ones into leadership now of only Me.

32. I arise and I conquer and I stand and I scepterize My holy who come forth in meekness and love of only Me, sinewing My body of nations all, denominations all, denominations none, cults and curviews and all sorts of mannerisms of Me and not Me; but who seek Me, and have sought Me in their own way but now open to Me, My blood, My life, My resurrection; My death, My resurrection; their death and their resurrection in only Me.

33. I love you and I give you Me and I see, I see into you, see into Me and what I have said, what I am giving, what I am clashing with, and what I have conquered; and what I conquer now through you and the words of My mouth, the words of My mouth through

you, and My Mighty Many and those who come now to curriculumize My curriculum through My Schools, through My Universities that now arise in lands and continents all, in every nation, tribe and tongue, mobile, immobile, penetrating all--I love you--knowing Me in each other in fullness; oh, the Godhead bodily (8) coming through, speaking, receiving, transmitting, knowing no power stopping us: Us, us, one family, one blood, altogether one; My Kingdom restored, My Kingdom coming, My Kingdom in all power and glory, glowing only in Me as I designed, as I come forth.

34. Worry not, worry not, recant not; go and grow and grow and swing in trees of only Me (9). Childlike faith, childlike goodness, childlike naïve-ity none; but operating and residing in the fullness of Me. My glory known, shared, increased; with the pouring out of Me, into onto My others, lifting, elevating, revealing Me in the fullness of only Me.

35. I come and I call and I conquer and I joy now in the authority that's walked forth, that comes forth from your knees and times with Me alone; My priorities, My pringles not, but that which pricks the body into action, into action and to redefinitions of only Me; letting Me speak in every meeting. I love you.

36. Forestall not, forge ahead, foraging never again, forestation of only Me with My trees of truth and righteousness and holiness which come forth now; multiple diversity'd and tongue'd of every nation and tribe which now come and speak Me, My language, My truth, glorify Me, all together one; nuances never dividing again.

37. A new thing, a new thing, I am doing a new thing, I AM the new thing and I am revealing Me and no man shall behold Me without Me, without embracing My blood, My Father's gloriousness flowing in My veins. Repetition, reproduction of only Me in the veins, the hearts, the capillaries, the neurosystems of only Me.

38. I give you Me, I give you My all and I thank you for coming and calling and conquering and standing not afraid in the forces of hell, in the face of hell, and withstanding My demons all, fallen ones now not of Me; destructive. See and clamor for only Me.

39. Come and call and continue to conquer and evermore so. Leadership I have given you to do all, to be all, to receive all of Me. I love you. I give you Me. I give you tenderness. I give you time. I withhold nothing. I withhold nothing of Me; nothing of My body; nothing of My creation do I withhold from you.

40. See Me in all I have said this day, this moment, and exuberant be in the power of holiness and righteousness without which no man will see Me; and you stand in My presence face to face, you will, you are, see Me. I give you all. I open My quarters to all; My wisdom, knowledge, intersections of understanding, spherically napped with neurons, synapses of only Me; photonic being in the transcendence of My omnitions; omnipresent with Me. I love you.

41. I give you Me; I give you My all. Thank you for fearing not, fearing not to go where no man has gone; fearlessly fearless-izing My body to come and in your wake walk and

in your flight path fly, coming into Me increasingly for the revelation now that never stops. And excel you they will, as platforms you build for many, the Mighty Many.
42. I love you, coming forth love, love, lover-ship in only Me in **the emotion which you know is there; the absolute ecstasy of fullness.** Amen. Thank you so very much, thank you.
Me
